Though we're apart, you're part of me still For you were my thrill on Blueberry Hill

I found my thrill on Blueberry Hill
On Blueberry Hill, where I found you
The Moon stood still, on Blueberry Hill
And lingered until my dreams came true
The wind in willow played love's sweet melody
But all of those vows we made, were never to be
Though we're apart, you're part of me still
For you were my thrill on Blueberry Hill
