When I was a little bitty baby  
my mama would rock me in the cradle  
In them old cotton fields back home  
It was down in Louisiana  
Just about a mile from Texarkana  
In them old cotton fields back home  
Oh, when them cotton bolls get rotten  
You can't pick very much cotton  
In them old cotton fields back home  
It was down in Louisiana  
Just about a mile from Texarkana  
In them old cotton fields back home

It may sound a little funny  
But you didn't make very much money  
In them old cotton fields back home  
It may sound a little funny  
But you didn't make very much money  
In them old cotton fields back home

I was home in Arkansas  
People ask me what you come here for  
In the old cotton fields back home  
I was home in Arkansas  
People ask me what you come here for

In the old cotton fields back home
