

Fireball Mail

Here she comes, look at her roll,
There she goes eatin' that coal
Watch her fly huggin' the rails
Let her by, by, by fireball mail.

Let her go look at her steam
Hear the blow, whistle and scream
Like a hound waggin' his tail
Dallas bound, bound, bound the fireball mail

Engineer makin' up time
Tracks are clear look at her climb
See that freight clearin' the rails
Bet she's late, late, late fireball mail.

Watch her swerve look her sway
Get that curve out of the way
Watch her fly look at her sail
Let her by, by, by fireball mail

Now here she comes look at her roll
There she goes eastin' that coal
Watch her fly huggin' the rails
Let her by, by, by fireball mail.
