The day I left her stand - ing on her own

Feel I'm going back to Massachusetts  
Something's telling me I must go home  
And the lights all went out in Massachusetts  
The day I left her standing on her own

Tried to hitch a ride to San Francisco  
Gotta do the things I wanna do  
And the lights all went out in Massachusetts  
They brought me back to see my way with you

Talk about the life in Massachusetts  
Speak about the people I have seen  
And the lights all went out in Massachusetts

I will remember Massachusetts  
I will remember Massachusetts
