And I won - der, still I won - der Who'll stop the rain

Long as I remember the rain been comin' down
Clouds of mystery pourin' confusion on the ground
Good men through the ages
Tryin' to find the sun
And I wonder still I wonder
Who'll stop the rain

I went down Virginia seeking shelter from the storm
Caught up in the fable I watched the tower grow
Five-year plans and new deals
Wrapped in golden chains
And I wonder, still I wonder
Who'll stop the rain

Heard the singers playin', how we cheered for more
The crowd had rushed together, just tryin to keep warm
Still the rain kept pourin'
Fallin on my ears
And I wonder, still I wonder
Who'll stop the rain...
