In the town where I was born  
Lived a man who sailed the sea  
And he told us of his life  
In the land of submarines

So we sailed up to the sun  
Till we found a sea of green  
And we lived beneath the waves  
In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all on board  
Many more of them live next door  
And the band begins to play  
We all live in . . .

As we live a life of ease  
Every one of us has all we need  
Sky of blue and sea of green  
In our yellow submarine  
We all live in . . .
